Dear Gus and Becky:

We thank the Lord for your kind hearts!

Thanks to your generous donation last summer we were able to rebuild our school kitchen and lunchroom which was totally destroyed by Hurricane María on September 2017.

We are grateful to God, you and your foundation for being compassionate of our school community in times of need. Today we can continue serving our students and spreading the gospel thanks to your generosity. The two past school years were very difficult for us due to all our loss but once again, the Lord was faithful and with no doubt at all, we believe He sent your family to bless us. *"Every good and perfect gift is from above, coming down from the Father of light"* – James 1:17.

Words will never express our gratitude for what you've done for our school and students. You've set a great example for our community ... believing in education is not enough; we need to get involved.

THANK YOU FOR BELIEVING AND FOR GETTING INVOLVED!

May the Lord continue pouring blessings upon you and your family. We pray upon you as stated in 2 Corinthians 9:8: *"And God is able to bless you abundantly, so that in all times, having all that you need, you will abound in every good work"*.

Blessings,
